ELECTION

Sir:

This is in response to the United States Patent and Trademark Office Action mailed June 5, 2002, which response is being made on or before July 5, 2002 and for which no extension fees are due.

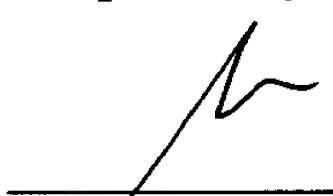

REMARKS

The Examiner has identified four inventions and has required an election to be made.

Applicant hereby elects Group I, claims 1-10, drawn to a method for identifying dyad symmetry elements.

Applicant reserves the right to file, at a later time, additional applications claiming priority from the present application and which are directed to the other inventions.

Respectfully submitted,

---
